# **MUFG Bank to Invest in Woven Planet Bond Issued by Toyota Motor Corporation**

**Tokyo, March 18, 2021** --- MUFG Bank today announced its decision to invest in the Woven Planet Bond (Series 26, Sustainability Bond) (the Bond), a sustainability bond issued by Toyota Motor Corporation (Toyota).

The Bond was issued under Toyota's Woven Planet Bond Framework (Sustainability Bond Framework) to raise funds for both environmental projects and projects that help to resolve social issues. Funds raised by the Bond are to be allocated for eligible social projects (advanced safety and driving assistance technology, and assisted mobility vehicles (Welcab)) and green projects (zero emission vehicles and increased use of renewable energy).

Vigeo Eiris has issued a second party opinion confirming the Bond is in alignment with the International Capital Market Association (ICMA)'s Green Bond Principles 2018<sup>[1]</sup>, the Social Bond Principles 2020<sup>[2]</sup> and the Sustainability Bond Guidelines 2018<sup>[3]</sup>.

Through this investment, MUFG Bank will accelerate projects that help to resolve environmental and social issues and that advance achievement of SDG goals while contributing to the realization of a sustainable society as a responsible institutional investor.
