## **MUFG to Open MUFG Park**

**Tokyo, May 6, 2021** --- MUFG Bank, Ltd., a consolidated subsidiary of MUFG, has decided to open its *Musashino Sports Ground* (Address: *Yagisawa 4-chome, Nishitokyo City*), a facility in Nishitokyo City, Tokyo, to the public as *MUFG Park (tentative name)* as part of its efforts toward the realization of a sustainable environment and society. We aim to open MUFG Park in June 2023.

With a total area of approximately 6 hectares, MUFG Park will consist of three concept areas: a precious green environment in the city center (nature); environments for sports and to promote health such as tennis courts and playgrounds (sports); and an environment for social exchange and activities such as a community library or lawn plaza (communication). We will develop welcoming spaces together with the local community and users while making the most of the characteristics of the location.

MUFG defines its purpose as *Committed to empowering a brighter future.*, in order to help achieve a sustainable environment and society. Through MUFG Park we will work to resolve a wide variety of local and social issues that we must face now and in the future, including the conservation and passing-down of values related to precious natural spaces in urban areas, support for community-building in response to the with/post-COVID-19 era, and the creation of a resilient society. We also hope to help empower a brighter future by communicating the various experiences and values cultivated there to society.

MUFG will continue to actively advance activities that promote social contribution toward the realization of a sustainable society and environment based on its purpose of *Committed to empowering a brighter future.*
